CITY OF WALNUT CREEK
RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WALNUT CREEK
ADOPTING A TEN-YEAR CAPITAL INVESTMENT PROGRAM
FOR THE CITY OF WALNUT CREEK FOR THE PERIOD OF 2014-2024

The City Council of the City of Walnut Creek does resolve as follows:

Section 1. Background

1. In accordance with Section 10-9.114 of the Municipal Code, the City Council hereby finds that the Ten-Year Capital Investment Program for 2014-2024 (Ten-Year CIP) consists of projects that are necessary to maintain and enhance the City’s public infrastructure and conforms to the General Plan.

2. Approval of the Ten-Year CIP does not constitute an appropriation of funds to specific projects. Projects are funded by a separate City Council action approving a two-year Capital Budget.

3. The adoption of this resolution is not a determination that any individual project will be ultimately approved or implemented. Therefore, this action has no potential for resulting in physical change in the environment directly or indirectly and is not a project as defined by the California Environmental Quality Act (CEQA). Because this action is not a project under CEQA, it is not subject to the requirement of prior environmental review. Before deciding to implement any individual project listed in the program, the project will be fully analyzed.

Section 2. Decision

1. The City Council hereby adopts the Ten-Year Capital Investment Plan for 2014-2024, which is attached as Exhibit A.
